Quattro USB
ZAR 525.00

Product Information

Features

- 9VDC to 15VDC input
- 4 USB output ports
- 2.2A per USB Port output
- Reverse voltage protection
- Sturdy powder coated mild steel box
- Mounting holes for permanent installation

Technical Notes

Specifications

- Input voltage : 9 to 15VDC
- Input current : 5A maximum
- Output voltage : 5VDC +/-0.1V
- Output current : 2.2A maximum per port
- Operating temperature : -10°C to +45°C
- Dimensions (mm) : (W) 108 x (H) 42 x (D) 100
